

Mahesh Kalubarme

Software Engineer

I am Mahesh Kalubarme, a BCS graduate with 1.10+ years of experience at Wipro Technologies. Currently working on the BiTS Asset Management project using ServiceNow, I focus on enhancing workflows and efficiency. I'm pursuing my M.Tech through Wipro's WILP program, and my technical skills include MySQL, Java, and front-end development. I'm passionate about continuous learning and tackling challenges in the tech industry.
